

June 15, 2020

Michigan APCO and NENA, Michigan Public Safety Telecommunications Conference registrants and Industry Partners:

With our primary concern being the health and safety of our members and fellow professionals, and due to the ever evolving COVID-19 situation, we have made the difficult decision to cancel the 2020 Michigan Public Safety Telecommunications Conference. We did not make this decision lightly and was based largely off feedback regarding many of our industry partners and agency participants having budget and travel restrictions. We have set our sights on the 2021 conference and will be focused on the planning for next year. The 2021 conference dates are May 17-20 at the Radisson in Kalamazoo. The Radisson has been very accommodating in helping us navigate these uncharted waters, therefore, we are also planning to return to Kalamazoo for the 2022 conference.

All 2020 conference registration fees will be refunded automatically. We ask that you please give the conference committee time to process the refunds and close out the conference budget accordingly. If you have not received a refund by August 30<sup>th</sup>, please reach out to conference treasurer Phyllis Fuller at [pfuller@pfnlc.net](mailto:pfuller@pfnlc.net)

We hold all of all of you in our thoughts and appreciate your support and patience as we through this process.

Kindest Regards,

Christine Collom  
Michigan APCO President

Stephanie Lehman, ENP  
Michigan NENA President
